AYUSH KUMAR   FULL STACK DEVELOPER

ayushdincre99@gmail.com |+91 7549101768 | https://www.linkedin.com/in/ayush-kumar-b35155191/ | Personal website|

Summary

I am Java Full Stack Developer with a proven track record of delivering high-quality solutions. Skilled in building responsive user interfaces and scalable backend systems. Effective collaborator with cross-functional teams. Passionate about creating intuitive and visually appealing applications that drive user engagement and satisfaction.

Experience

FRONTEND DEVELOPER | PAYATU SECURITY CONSULTING | JANUARY 2022 – PRESENT(JANUARY 2022-MAY, 2023 :– INTERNSHIP, MAY 2023 – PRESENT: – FULL TIME)

· Implemented complex scanning functionality for BLE, Zigbee, and cloud-based devices.

· Collaborated with UX/UI designers to ensure visually appealing and intuitive interface designs.

· Contributed to backend API development, facilitating log findings retrieval, issue tracking, and seamless data flow between front-end and backend components.

· Developed responsive user interfaces for an IoT auditor tool using Vue.js, Next.js, and Flask frameworks.

ANGULAR DEVELOPER INTERN| SIMNOVUS TECH PRIVATE LIMITED | SEPTEMBER 2021- DECEMBER 2021

· Developed and maintained the user interface for a cutting- edge UE simulator using Angular framework, enabling 5G and 4G network simulations.

· Iplemented advanced features like real-time network monitoring, statistical analysis, and interactive data visualization to enhance the user experience and provide valuable insights for network testing.

FULL STACK DEVELOPER INTERN | EKAL SHIKSHA | MAY 2021- AUGUST 2021

· Developed and deployed a robust e-learning application, utilizing full stack development technologies and frameworks.

· Implemented interactive features such as course enrollment, progress tracking, and online assessments, enhancing the user experience and promoting effective learning.

· Collaborated with the team to design and develop scalable backend APIs, enabling seamless data retrieval and management for the e-learning platform.

Education

BACHELOR OF TECHNOLOGY (COMPUTER SCIENCE & ENGINEERING) | MAY 2023 | DAYANANDA SAGAR UNIVERSITY, BANGALORE
